<b>Walk Summary:</b>	<p>Kerry, Marian, Nicki and I are co-leaders for these walks for the combined clubs walks based at Licola on 11<sup>th</sup> &amp; 12<sup>th</sup> of May. Although we have done these walks in the past, we want to do recces before the combined clubs weekend.</p> <p>a) The walk commences at Arbuckle Junction, climbs through an Alpine Ash forest then descends through Snow Gums before crossing the snow grass plain to Kelly Hut. We then turn southward along a portion of Kelly Lane, visit Mc Michael’s Hut then walk parallel to Shaw Creek to a campsite where Shaw Creek meets Dingo Hill Track. (creek water available, but no toilet)</p> <p>b) As above but return to Arbuckle Junction after visiting Kelly Hut.</p> <p>Nicki and I will be camping at Shaw Creek campsite on Friday night. Kerry and Marian are driving up on Saturday, doing their recce then returning home.</p> <p>Club members are welcome to join us for either walk but you will have to make your own travel arrangements as the four of us have organised a car shuffle.</p>
