

Ben Cruachan Walking Club - Walk Preview

Please register with Walk Leader before the day of the walk. See website: [Upcoming Walks - Ben Cruachan Walking Club](#)

Event:	Mt St Gwinear to Mt Erica		
Area:	Baw Baw National Park		
Date:	Saturday 11 January 2025	To be publicised in local papers?	Yes
Grade:	M-7-4	Style:	Through Walk
Walk Length:	15km	Walk Duration:	6hrs
Meeting Place:	Tyers Kindergarten Car Park	Meeting Time:	8:30am
Event Summary:	<p>The 15 km walk from the Mt St Gwinear car park to the Mt Erica car park is arguably the best day walk in all of Victoria. It follows the Australian Alps Walking Track through mature snow gum forest and past towering granite rock out crops. If you only do one day walk in 2025 make it this one or at least start the year with it.</p> <p>There is a 55 minute drive from the meeting point to the start of the walk.</p> <p>If there is interest for some people to just visit the Mushroom Rocks or Mt Erica from the Mt Erica Car Park, and a suitable walk leader is available, members of this Mushroom Rocks walk could help transport walkers to the Mt St Gwinear car park and then drive 40minutes to the beginning of their walk at the Mt Erica car park. This could save a long car shuffle at the end of the day.</p> <p>This walk is an alpine walk. Weather, even in January, can be very cold. Come prepared for all seasons.</p>
