Take the next road to the right (around 500 metres) and follow it down to the river (another 600 metres). Turn right just before the river to the BBQ shelter.	Meeting Time:	9:00 am
Walk Summary:	<p>The walks are conducted annually in conjunction with the Strzelecki Bushwalking Club and Friends of Tyers Park.</p> <p>The Wirilda Walking Track is one of Latrobe Valley's treasures. It traverses through a variety of terrain and vegetation and provides for spectacular views of the Tyers River and the conglomerate rock cliffs that bound the river gorge, making the track a delight to walk. There are remnants of a historic water supply pipe line and a lime kiln operated in the 1930s to be observed.</p> <p>Walk 1: From the Wirilda Environmental Park this walk starts by going up Wirilda Walking Track for a little way before heading off on a side track up to a 4WD track which is followed around the edge of Tyers Park with spectacular views of the Latrobe Valley. A mystery location is visited before the park is re-entered along Blairs Road to connect up with the Pipeline Access Track. A 400m off track section will avoid the river crossing. The walk returns to the Wirilda Park via the Wirilda Walking Track through the Tyers Gorge.</p> <p>Walk 2: From the meeting point, which is also the finishing point, a thirty-minute drive is required to get to the start of the walk at the Moondarra Dam wall. The Wirilda Track follows the Tyers River valley back to Wirilda Park. Scenery varies from dry, open forest to lush fern gullies and passes under the conglomerate cliffs of the Tyers Gorge. There are a few hills and a river crossing so spare footwear is advisable.</p> <p>Walk 3: This is a 24km circuit for fit walkers (Grade X-9-5). The walk starts from the</p>		

	Wirilda Park BBQ shelter and heads up the Wirilda Walking Track before cutting through to the Pipeline Access Road by a side track. Then follows the Pipeline Access Road to the Moondarra Dam and returns via the Wirilda Walking Track as per walk 2.
