

Ben Cruachan Walking Club Social Evening

Event:	An ascent of Mt Kilimanjaro		
Guest speakers:	Andrew Stevenson and Piero Baglioni		
Date:	Wednesday 12 th March 2025	To be publicised in local papers?	No
Meeting Place:	Bairnsdale Club – 68 Nicholson Street	Meeting Time:	6pm Dinner 7pm Presentation
Walk Summary:	<p>In 2024 Andrew and Piero set off to Africa to climb Mt Kilimanjaro. They have kindly agreed to share their experience with us with what will be a most interesting (and probably entertaining) presentation.</p> <p>Mount Kilimanjaro, located in Tanzania, East Africa, is the highest mountain in Africa with an elevation of 5,895 meters. It is the largest free-standing mountain in the world. Its snow-capped peak towers above the surrounding savannah and is part of the Kilimanjaro National Park, which is home to a variety of unique flora and fauna. While it is a dormant volcano, it still serves as an important source of inspiration for climbers and outdoor enthusiasts from around the world.</p> <p><u>Please Register your interest in attending</u> with Monica by Monday 10th March so that we can confirm numbers with the Bairnsdale Club.</p>
