

Ben Cruachan Walking Club - Walk Preview

Walk:	ANGUSVALE TO JURGENSON POINT & RETURN		
Area:	MITCHELL RIVER NATIONAL PARK		
Date:	Saturday 18 June 2022	To be publicised in local papers?	Yes
Grade:	M - 5 - 3	Style:	Day Return
Walk Length:	~ 16 Kms	Walk Duration:	6 Hours
Meeting Place:	Beverley's Road	Meeting Time:	Beverley's Road @ 8:00 am
Walk Summary:	<p>This walk will follow the Mitchell River from the Angusvale campground downstream to Jurgenson Point, where Sandy Creek enters the Mitchell River. This is one of the few un-dammed rivers in Victoria with great rapids and plenty to look at, including rocky bluffs on the Eastern shore and remnant rainforest gullies on the Western shore. The walk follows the western side of the river on a sometimes overgrown track, with fallen trees to climb over and at times care must be taken as the track gets close to the edge, above the river. Great opportunities for photographs of the river and its surrounds. After lunch we will retrace our steps back to Angusvale.</p> <p>Topographical Map: Cobbannah - Tabberabbera 8322-N 1:50,000</p> <p>Registration with the Walk Leader, before the day of the walk, is required for all walks</p>
